Hello Tara.

Mario is here until 5:30 pm. You can send petitions until 5 pm for him to verify today. Dennis will be in at 7 am.

You will have a window of opportunity tomorrow. Our City Atty was not in today. The Ordinance of Intention is at the office for signature.

What is the petition level?

BTW, can you please call me?

Thank you.

What is the latest possible time today that we can submit a petition for validation? Before staff leaves? After business hours?

We will now officially clear today if LBA can get theirs in. They have confirmed this afternoon that they are still on top of it.

We will continue to collect petitions to comfortably exceed the threshold. I know we have another approx. 5% that are committed but haven't yet been able to execute.

Thank you. 30.07% per Dennis. LBA takes us over. Without them, it is statistically improbable that we could close the gap today/tomorrow AM. It would likely take us an additional week or two, as all remaining unsigned owners are less than 2%.

I'll call you within the next 5 minutes.

No petition yet from LBA but could still get it before 5:30. If we don't, what would you say our drop-dead time would be tomorrow?

I am not sure. I just ask about a special Ccl meeting agenda for next week. I asked about the drop dead time too. They haven't answer me yet.

BTW, I am off tomorrow. Please ensure that you are communicating w/ Rosemary too. Eugene is off too. I am in training next week and will not be readily available.

Thanks.
